0% Financing on the Purchase of Autodesk® Software, Subscription and Services!

PacifiCAD Inc. and Key Equipment Finance have teamed up to offer you 0% lease-financing for 12 months on the purchase of Autodesk® software, subscription, or services purchased! This amazing offer is **valid thru August 31st, 2009**, and requires a minimum purchase of \$1500 (for software, subscription, and/or implementation and training). For 24 or 36 month terms, % of financing will vary.

With financing, you can:

- **Improve your cash-flow management.** Conserve your capital for reinvesting in your business.
- **Enhance your budgeting accuracy.** Predictable fixed monthly payments and no floating interest rates mean better financial planning.
- **Finance up to 100% of your purchase.** Qualified applicants can finance 100% of the cost, including delivery, installation, service, and maintenance.
- **Save on down payments.** Avoid large outlays of cash by breaking down payments into manageable sums.
- **Simplify your financing.** Avoid loan-related requirements such as compensating balances, large down payments, client list reviews, and cash-flow projections.
- **Reap potential tax benefits.** Some businesses are able to deduct monthly lease payments as an operating expense, thus reducing the net cost of the lease (consult your tax advisor for details).
